MEMO ENDORSED

U.S. v. El-Hanafi and Hasanoff, 10 CR 162 (KMC)

Dear Judge Wood:

I am writing on behalf of both defendants in the above-captioned case to request that the court conference currently scheduled to occur on November 15, 2010, be adjourned by one week to November 22, 2010. I have conferred with the government, which does not oppose this request, but requests a time after 2:00 p.m.

We seek this adjournment to permit defense counsel for both defendants to confer with each other and with the government regarding the issues to be raised with the Court at the conference. Given the schedules of the four defense counsel, this additional week will facilitate those discussions.

We consent to the exclusion of this additional week from the computation of Speedy Trial time.

Thank you for your attention to this matter.

Respectfully submitted,

*The conference is adjourned
to November 23, 2010 at 11:00 a.m.*
